

## Lawn Area Names Fact Sheet No 4

A few years ago, the names of the lawn sections at each Remembrance Park were re-named to honour local people of the region that have made a significant contribution to the area.

Some signage on site and deceased search results may still reflect the old location names.

When available, a map showing both old and new names can be viewed on our website [rpcv.com.au](http://rpcv.com.au) under the CEMETERIES tab for each site.

This fact sheet provides tables for each site indicating the name changes when applicable.
